## NOTICE OF PASTORAL COUNSELING CENTER PRIVACY PRACTICES (HIPAA)

This notice tells you how we treat your health information, how we might disclose your health information to others, and how you can get access to the same information.

Please review this notice carefully and feel free to ask for clarification about anything in this material you might not understand. The privacy of your health information is very important to us and we want to do everything possible to protect that privacy.

We have a legal responsibility under the laws of the United States and the State of Texas to keep your health information private. Part of our responsibility is to give you this notice about our privacy practices. Another part of our responsibility is to follow the practices in this notice.

This notice takes effect on (April 14, 2003) and will be in effect until we replace it.

We have the right to change any of these privacy practices as long as those changes are permitted or required by law.

Any changes in our privacy practices will effect how we protect the privacy of your health information. This includes health information we will receive about you or that we create at the Pastoral Counseling Center. These changes could also effect how we protect the privacy of any of your health information we had before the changes.

When we make any of these changes, we will also change this notice and give you a copy of the new notice.

If you request a copy of this notice now or at any time in the future, we will give you a copy at no charge to you. If you have any questions or concerns about the material in this document, please ask for assistance which we will provide at no charge to you.

### Here are some examples of how we may use and disclose your health information with your permission:

- A. To your physician or other healthcare provider who is also treating you.
- B. To anyone on our staff involved in your treatment program.
- C. To any person required by federal, state, or local laws to have lawful access to your treatment program.
- D. To receive payment from a third party for services we provide for you.
- E. To be in compliance with Utilization Management/Quality Improvement Plans

by third parties.

F. To our own staff in connection with our Center's operations. Examples of this include, but are not limited to the following: evaluating the effectiveness of our staff, supervising our staff, improving the quality of our services, meeting accreditation standards, and in connection with licensing, credentialing, or certification activities.

G. To anyone you give us written authorization to have your health information, for any reason you want. You may revoke this authorization in writing anytime you would like. When you revoke an authorization, it will only effect your health information from that point on.

H. To a family member, a person responsible for your care, or your personal representative in the event of an emergency. If you are present in such a case, we will give you an opportunity to object. If you object, or are not present, or are incapable of responding, we may use our professional judgment, in light of the nature of the emergency, to go ahead and use or disclose your health information in your best interest at that time. In so doing, we will only use or disclose the aspects your health information that are necessary to respond to the emergency.

We will not use your health information in any of our Center's marketing, development, public relations, or related activities without your written authorization.

We may not use or disclose your health information in any ways other than those described in this notice unless you give us written permission.

### As a client of the Pastoral Counseling Center, you have these important rights:

- A. With limited exceptions, you can make a written request to inspect your health information that is maintained by us for our use.
- B. You can ask us for photocopies of the information in part "A" above.
- C. We will charge you a reasonable fee per page for making these photocopies.
- D. You have a right to a copy of this notice at no charge.
- E. You can make a written request to have us communicate with you about your health information by alternative means,

at an alternative location. (An example would be if your primary language is not spoken at this Center, and we are treating a child of whom you have lawful custody.) Your written request must specify the alternative means and location.

F. You may make a written request that we place other restrictions on the ways we use or disclose your health information. We may deny any or all of your requested restrictions. If we agree to these restrictions, we will abide by them in all situations except those which, in our professional judgment, constitute an emergency.

G. You may make a written request that we amend the information in part "A" above.

H. If we approve your written amendment, we will change our records accordingly. We will also notify anyone else who may have received this information and anyone else of your choosing.

I. If we deny your amendment, you may place a written statement in our records disagreeing with our denial of your request.

J. You may make a written request that we provide you with a list of those occasions where we or our business associates disclosed your health information for purposes other than treatment, payment, or our Center's operations. This can go back as far as six years.

K. If you request the accounting in "J" above more than once in a 12-month period, we may charge you a fee based on our actual costs of tabulating these disclosures.

L. If you believe we have violated any of your privacy rights, or you disagree with a decision we have made about any of your rights in this notice, you may complain to us in writing to the following person:

Compliance Officer(s):  
Executive Director/Clinical Director  
Telephone: 214.526.4525  
Fax: 214.520.6468  
Address:  
Pastoral Counseling Center,  
4525 Lemmon Avenue, Suite 200  
Dallas, TX 75219

M. You may also submit a written complaint to the United States Department of Health and Human Services. We will provide you with that address upon written request.

## **PCC Policy/HIPAA Acknowledgement and Informed Consent Form - Adult Assessment**

We are pleased that you have chosen Pastoral Counseling Center and PCC Testing Dallas to complete your psychological evaluation, educational assessment and/or career testing. PCC has served the North Texas area since 1968 and we are glad that you have chosen us to work with you. PCC is a faith-based, faith-inclusive counseling center committed to serving those seeking help with integrity, compassion and respect. We offer services to all persons; therefore, our staff will not impose their personal beliefs upon clients. If requested, we will work within the belief system and faith preference of our clients.

This consent form provides information about our assessment services and about your rights and responsibilities as a client. Please be sure to discuss any questions with your clinician or his/her supervisor. Your signature at the bottom of the form indicates that you understand the information and freely consent to participate in this assessment.

**THE ASSESSMENT PROCESS:** Through the use of standardized psychological tests or screening devices, we attempt to assess questions related to diagnosis, personality functioning, coping styles, intellectual ability, academic achievement and/or vocational interests. Throughout the assessment, you have the right to inquire about the nature and purpose of all procedures administered to you. Once completed, you will be informed of the results, interpretation and/or recommendations. A licensed psychologist, post-doctoral psychology fellow, or a pre-doctoral psychology intern will conduct your assessment. You will be advised if the clinician administering the assessment is doing so under supervision and you will be provided with the name and contact information of the supervisor.

The assessment process generally begins with a clinical interview followed by the administration of one or more psychological, educational, intellectual, vocational, and/or screening measures. Although it is sometimes possible to complete the testing procedures in one day, it is common for individuals to return for further sessions in order to complete the assessment battery. The total time of the evaluation may vary, but on average the testing procedures take 4 to 8 hours to complete. The individual may experience emotional distress because of the personal nature of some of the information solicited by the testing process. You or the individual being tested may interrupt or discontinue this testing process at any time. Please be aware that if the testing is interrupted the clinician may be unable to give feedback or complete a written report.

Once the testing phase is finished, the data will be analyzed and a report written. In some instances, however, results will be reported orally and not in writing. The general completion time for oral and written reports is 2 to 4 weeks. At this time, a feedback session will be scheduled to go over the results.

**NOTICE OF PRIVACY POLICIES:** The attached privacy policy tells you how we make use of your health information at our Center, how we might disclose your health information to others, and how you can get access to the same information.

**CONFIDENTIALITY:** Your relationship with Pastoral Counseling Center and the information contained in the assessment is confidential and will not be released to any person or organization without your written permission. In situations where the assessment is being requested by a third party you will have to sign a full release of information to that third party to release the report.

There are circumstances where state and/or federal law require that confidentiality be put aside and your information shared with others without your consent. These are:

**1. Allegations of abuse, neglect or sexual abuse.** Texas law requires all clinicians who have a cause to believe that a child has been, or may be, abused, neglected, or sexually abused, to make a report of such within 48 hours to the Texas Department of Family and Protective Services, the Texas Youth Commission or to any local or state law enforcement agency. If the clinician has cause to believe that an elderly or disabled person is in a state of abuse, neglect or exploitation, this must be immediately reported to the Texas Department of Family and Protective Services.

**2. Serious threat of danger to self or others.** If the clinician determines that there is a probability of imminent physical injury by you or your child(ren) to yourself or others, or there is a probability of immediate mental or emotional injury to you, the clinician may disclose relevant confidential mental health information to medical or law enforcement personnel.

**3. Court order and/or subpoena.** Court-ordered subpoena can require the release of records kept at the counseling Center or require a clinician to give testimony at a court hearing.

07.2017

## PCC Policy/HIPAA Acknowledgement & Informed Consent Form - Adult Assessment (cont)

**4. Sexual exploitation or abuse.** Texas law requires a clinician to report client abuse or sexual exploitation by a previous therapist to the appropriate county district attorney and licensing board. Client anonymity will be preserved if requested.

In the rare event that one or more of these circumstances arise, we will, if appropriate, attempt to discuss these responsibilities with you before complying with our obligation under the law.

**INSURANCE:** If you choose to use your insurance benefits, and the clinician **is a participating provider (in-network)**, you agree to assign payment from your health plan to Pastoral Counseling Center (PCC) and to update PCC with your current insurance information at all times. If there is a change in your insurance, we ask that you notify us of the changes at least two days prior to your appointment. Failure to do so may result in you being charged our standard rate per hour for your appointment. We will bill your insurance company if your therapist is an in-network provider. However, you are responsible for co-payments, deductibles and payments for services not covered by your health plan. If you have a deductible, you must pay each visit at the time of your appointment until the deductible has been met.

Please be aware that if you plan to have the center file for reimbursement with a managed care or insurance company, the managed care or insurance company may require information about the diagnosis and treatment records. Since this information will become part of your insurance file, you may wish to contact your insurance carrier to learn about their requirements and ensure that you are comfortable with the nature of the information that will need to be released in order to receive payment.

If you choose to use your insurance benefits, and the clinician **is not a participating provider (out-of-network)**, you understand that you are responsible for obtaining prior authorization/certification for treatment, and for submitting your claims for reimbursement from insurance. PCC will provide you with a receipt with all of the applicable information so you may attempt to obtain reimbursement for services, however, you will be responsible for the full fee at the time of service regardless of whether your insurance company reimburses you. Unfortunately, as PCC is not a contracted entity with your insurance company, you will be responsible for all communication with and attempts to obtain reimbursement from your insurance provider.

If you have concerns or problems with the testing experience, or have questions about the Center's policies, we hope that you will talk directly with your clinician and his/her supervisor. You may also talk to the Center's Clinical Director. The consumer complaint hotline for most Texas licensed/certified counseling professionals is 1.800.942.5540.

**FEE AND PAYMENT POLICY:** Fees are discussed during the intake session unless already agreed upon. Fees are determined based on the complexity and number of measures used and the time required by the clinician to provide an accurate evaluation or screening. Fees generally range between \$300 and \$3,000. In rare instances, the clinician may deem it necessary to request further testing beyond that agreed upon at the beginning of the assessment process. At that time, you will have the right to accept or decline the additional procedures.

In some cases (including career testing) you are required to pay your fee in full prior to testing. For most other assessments, you are required to pay 50% of your fee prior to testing and the remaining balance is due at the time of the feedback session.

This enables us to remain fiscally sound, and therefore provide consistent quality service. Insurance issues can also be discussed with your clinician or with our insurance coordinator. You are responsible for the balance due if your insurance does not pay for our services. You are also responsible for the balance if the insurance holder is different from yourself. If you have difficulties with your insurance company, you can file a complaint with the Texas Department of Insurance (800.252.3439 or [www.tdi.state.tx.us](http://www.tdi.state.tx.us)).

**Please initial here that you understand your financial responsibility:**

## **PCC Policy/HIPAA Acknowledgement & Informed Consent Form - Adult Assessment (cont)**

**LATE CANCELLATIONS AND MISSED APPOINTMENTS:** Sessions are generally scheduled for 60 minutes to 5 hours. Testing session durations vary. The appointment you schedule is reserved for you. You will be billed for missed appointments and cancellations of less than 24 hours' notice. Cancellations received with more than 24 hours' notice will result in no charges being assessed. However, those cancelling with less than 24 hours' notice will be charged \$250 to the credit card on file. Insurance companies, EAP providers, or other responsible third-parties will not accept claims for missed or unused appointments.

**Please initial that you understand PCC's late cancellation and missed appointment policy:** \_\_\_\_\_

**OPTIONAL CONSENT FOR AUDIO RECORDING:** Some testing measures allow the clinician to audio record your responses in order to be reviewed again at the time the assessment is interpreted.

**Please initial here if you give permission for this audio recording:**

**CONTACT INFORMATION:** The Center has a centralized phone system. You may go directly to the voicemail system by dialing 214.526.4753, then follow the directions for your counselor's extension. In case of emergency, call the Center's main number, 214.526.4525 or 1.800.340.7557, and a member of our staff or an answering service will assist you.

**AGREEMENT:** To provide the best possible care, your clinician's work is open to the scrutiny of professional supervision, peer review and the accreditation standards of the American Association of Pastoral Counselors. The Center follows state and federal laws regarding the electronic transmission of records.

**I have read and understand my rights and obligations as an assessment client as well as the limits of confidentiality of Pastoral Counseling Center and PCC Testing Dallas. I consent to the assessment for my child, my adolescent, legal ward, or myself and agree to make at least partial payment prior to the beginning of the testing process.**

## LATE CANCELLATION AND MISSED APPOINTMENT POLICY

A great deal of effort goes into arranging your therapy or testing sessions. It is important to realize that this appointment time is being held exclusively for you.

We realize illness and emergencies occur. If you must cancel an appointment for any reason, we must receive NOTICE 24 HOURS prior to the scheduled session or it will be considered a broken appointment and the CANCELLATION FEE WILL BE CHARGED to your credit card on file.

### **Therapy Clients:**

Initial appointments are generally 60 minutes. Follow-up appointments are generally 45—60 minutes. These sessions are reserved for you, and you are responsible for payment for that time. Cancellations received with more than 24 hours' notice will result in no charges being assessed. However, those canceling with less than 24 hours' notice will be charged \$50 to the credit card on file. Repeat "no-show" or "late-canceled" appointments could result in termination of treatment. Insurance companies, EAP providers, or other responsible third-parties will not accept claims for missed or unused appointments.

### **Testing Clients:**

Sessions are generally scheduled for 60 minutes to 5 hours. Testing session durations vary. The appointment you schedule is reserved for you. You will be billed for missed appointments and cancellations of less than 24 hours' notice. Cancellations received with more than 24 hours' notice will result in no charges being assessed. However, those canceling with less than 24 hours' notice will be charged \$250 to the credit card on file. Insurance companies, EAP providers, or other responsible third-parties will not accept claims for missed or unused appointments.
